

Spirit of Mercy's well and truly alive at Open Day

On Sunday March 12, Our Lady of Mercy College Parramatta held its 2017 Open Day, welcoming one of the biggest crowds of visitors seen in recent years. Over 400 students assisted throughout the day running guided tours of the facilities, assisting teachers in classrooms, helping with catering and making visitors feel welcome.

Principal Stephen Walsh said the day was a tremendous celebration of Mercy Education: "I firmly believe that when visitors come to our Open Day, they see how Mercy Girls demonstrate the important Mercy Values of hospitality, compassion and excellence - the Mercy Spirit is truly on display!"
