

2020 HSC RESULTS

The OLMC Community congratulates the HSC Class of 2020 for their outstanding results. Their dedication, optimism and resilience, supported by their teachers and families, enabled this success. This year, more than any other, the HSC class lived the motto 'expanding beyond what we know we can be' through their unwavering commitment to each other and their pursuit of personal excellence. I have complete confidence in the Class of 2020's capacity to make a difference in the world and we look forward to sharing their journey with them, as they move beyond College life.
